25th November 2015

Dear Students and Parents,

Year 9 Graphics Calculator

The use of Computer Algebra System (CAS) calculators is an important part of senior Mathematics in Years 9 to 12. **It is a requirement that all students studying Mathematics in Year 9 have their own CAS calculator.** Introducing the CAS calculator in Year 9 allows the students to become confident in using the calculator prior to facing the challenges of VCE Mathematics.

Students are required to purchase the Texas Instruments (TI) Nspire CX CAS bundle which includes:

- TI Nspire CX CAS calculator with a rechargeable battery
- One AC adapter (wall charger)
- Protective padded case for storage

The recommended retail price for the TI Nspire CX CAS bundle is $249.00 (incl. GST), however Mt. Hira College students can purchase the bundle for the discounted price of **$225.50** from the school’s official supplier, **Abacus Calculators**.

The calculator has a 1-year manufacturer’s warranty, however Abacus Calculators extends this to a **two-year warranty**. Keep your receipt carefully, as proof of purchase is required for warranty claims.

Please turn this page over for further information on how to purchase the discounted calculator bundle. Note that orders close on the **11th of January 2016**.

Yours sincerely,

Ms. Nazreen Amirudin
Mathematics Coordinator
ONLINE STUDENT CALCULATOR ORDERS

ORDERS ARE TO BE PLACED BETWEEN:
OPENING 24TH NOV 2015 - CLOSING 11TH JAN 2016

STEP 1: GO TO www.abacuscalculators.com.au

STEP 2: ENTER YOUR SCHOOL ID CODE TO LOG IN: MTHIRA

STEP 3: SELECT THE CALCULATOR AND ACCESSORIES BUNDLE AND PAY $225.50 FOR YOUR ORDER USING A CREDIT OR DEBIT CARD.

TINSPIRECX CAS GRAPHIC CALCULATOR BUNDLE INCLUDES:
- 1 x TINSPIRECX CAS calculator with a rechargeable battery
