BUS SERVICE CHANGES

As-salamu Alaykum

Dear Parents/Guardians,

I hope this message finds you well.

We are writing this letter to inform you about the changes to our School Bus Service.

Due to a high number of parent complaints and absences of the bus drivers, the College management has decided to trial a new bus service in Term 4. our families will therefore see new buses (24-seater) from the start of Term 4. All other procedures will remain same.

Also, the College is pleased to announce it will be trialing **RollCall**; a **new school bus travel management system**. RollCall leverages the latest software technologies to allow the school to track the buses on school routes with the time, date and location. **This gives parents visibility to see their children through a Parent App**. It will give peace of mind to our families and an extra layer of security & safety as they can monitor their children in real time until they reach school or back home safely & timely.

In the lead up to the rollout, the College will send out a link for you to subscribe to the RollCall Parent App. A welcome email will have the instructions on how to use the App.

More information and the RollCall privacy policy can be found on the company website – rollcall.com.au

We encourage you to review them and if you have any objection to being involved in the trial please notify the undersigned.

If you any questions, please don't hesitate to contact the front (main) office via phone (03) 9709 0100 or email admin@mthira.vic.edu.au.

Kind regards,

Muhammad Ali Choudhry
Business Manager
