## Uniform Free Day & Eid Holiday (Ramazan Bayrami)

As-Salamu Alaykum

Dear Parents/Carers,

I hope this message finds you all in the best of health and happiness.

A key objective this year was to give our students greater voice. One of the ways this has been achieved is through an active student leadership team that regularly surveys and consults the student body. Our College Captains recently put forward student suggestions on how the College could collectively celebrate the special occasion of Eid together. Whilst the College is generously granting two days off school for all students and staff on **Thursday & Friday 13-14 May 2021** for Eid Al-Fitr (Ramazan Bayrami), we agreed with the suggestion that the following **Monday 17 May 2021** there will be a **uniform free day** for all Years F-12 students. Students might like to wear their Eid clothes or any suitable clothing on this day.

As always, students must abide by the Mt Hira College Student Dress Code Expectations (available in full on SEQTA Documents), which include:

- All clothing items must meet the school dress code requirements and be of an appropriate and modest standard;
- Any skirts or shorts must be below the knees or include pants underneath;
- All tops must be of a modest nature, singlets or sleeveless tops will not be permitted and underarms must not be showing. All necklines must be high for blouses and tops;
- Pants must not have any rips or tears unless tights are worn underneath;
- Closed footwear only;
- All students must ensure they bring along appropriate clothing for prayer.

If students do not meet the dress code expectations, parents/carers will be contacted to pick up their child or to provide an appropriate change of clothes.

We look forward to a successful and enjoyable uniform free day with our students.

I would also like to take this opportunity to wish our parents/carers and entire College community, a blessed end to the month of Ramadan, and a joyous and safe Eid holiday with your families and friends.

Thank you for your ongoing support.

Kind regards,

Dr Toni Pikos-Sallie  
**Principal**
