## The End of Term 4 and Looking Ahead to 2021

Dear Parents/Carers,

I hope you and your families are all doing well. The end of the year is fast approaching and things are really looking up for all Victorians. A great reminder that 'after hardship comes ease'. The eased restrictions have allowed us to plan some major events for the end of Term 4, which we previously thought would not be possible. These events include our Year 12 Graduation Ceremony, Year 5 Graduation Ceremony, Years F-6 transition programs and Activity Day!

*\*Please note that under the current restrictions parents/carers will unfortunately not be able to attend on campus for these events, but we will certainly be sharing the photos/videos.*

Below are further details about the upcoming events and other key dates:

### End of Term 4 Events & Key Dates:

### Parent/Carer Pick-Up Procedures:

We kindly request parents/carers who pick their children up by car to park their cars in the carpark while waiting for their children. Parents/carers who leave their cars switched on and remain in the queue while waiting for their children are preventing other cars from being able to enter the school from Perry Road. This causes a dangerous blocking of the road outside the school, as well as unfair delays to other parents/carers trying to enter. Please be courteous and considerate to others when using the front carpark. Thank you!

### New Uniform Items for 2021:

Some important changes and updates were signed off for our school uniforms for 2021, based on parent/student feedback. Due to the pandemic, the production of our new uniforms was halted for a long time and has only recently recommenced; this has delayed the arrival of our new uniform items. There will be **a transition period of 12 months** where the current uniform can still be worn throughout 2021, but the new uniform will become compulsory in 2022. We will notify parents/carers once the new items come into stock.

#### Future Key Uniform Changes include:

- New girls' shirt (Years 6-12), which is light blue in colour, with logo and not transparent.
- New comfortable design navy-blue tartan pleated skirt.
- The optional headscarf has also been changed from white to navy blue (for primary & secondary students) and should be purchased from the front office. (This change will come into effect from the start of 2021.)
- Junior School short and long sleeve tops will be available in cotton fabric for colder months, in addition to the current sports mesh.
- Mt Hira College navy blue with gold embroidered school bags (micro fibre backpack or trolley bag – two options).

We wish our students and families an uplifting and memorable finish to the year 2020, a safe summer break and an amazing year of learning and growth in 2021 insha Allah.
