## College Principal's Message

As-Salaamu Alaykum & Greetings

Dear Parents and Carers,

I pray this message finds our families in the best of health and wellbeing.

This Term was filled with lots of learning, many wonderful events, and students have settled nicely into the school year and routine alhamdulillah. Our new Middle School Building has provided our Years 7-9 students and staff with spacious learning spaces and excellent facilities. Our Junior School students and staff are also enjoying their expanded facilities this year.

This Term our students enjoyed their Athletics Days, swimming program, many excursions and incursions, special programs, interschool sports, Harmony Day, the Ramadan Food Drive and school-provided iftar dinners for Year 7, 9 and 12. We were also blessed to host several interfaith school visits including Koo Wee Ru Secondary College, Balcombe Probus Club, and Star of the Sea College, which our students also participated in and benefitted from.
