## Latest Update – Years 9 & 10 Information Session & Subject Expo

Dear Parents/Carers and Students,

I hope you are safe and well. This letter is to provide you **our latest update** with regard to the online **VCE Information Session and Subject Expo**.

As mentioned previously, the VCE Subject Expo will take place online via Microsoft Teams next **Friday, 18<sup>th</sup> September 2020**. **All Years 9 & 10 students are required to attend this event**, as it will ensure students are equipped to make informed subject choices for next year. Instructions on how to join the event are contained in the **previous notice**.

**All Years 9 & 10 students** have now been **added as members** to the **2021 VCE Subject Expo team page**. This means they can **now access** all **subject brochures**, the **VCE Policy** and other **relevant articles** under the **'Files'** tab at the top of the team page.

Under the **'Files'** tab, students can also access the **'Subject Questions'** folder, which contains an active Word document for **each subject**, where students can **anonymously type their questions** directly into the document, which will **'save'** automatically. Teachers will type **answers** into the document up to 3:00 pm, Thursday 17<sup>th</sup> September 2020. **Parents/carers** can send their questions to the **email** addresses listed on the relevant **subject brochures**.

Years 9 & 10 students will be emailed a link to select their preferred VCE subjects for 2021 on Friday, 18<sup>th</sup> September 2020 and this will need to be completed by Friday, 25<sup>th</sup> September 2020. Year 9 students will be emailed a link to select their elective subjects for 2021 in early Term 4.

We are looking forward to you joining us for this important event!

Kindest regards,

**Dr Toni Pikos-Sallie**  
**Vice Principal, Administration**
